Saturday Full Day Retreat

Acceptance is the Answer...

If you wish to have a FULL DAY of Acceptance in one Setting, MK will be leading a full day Workshop!

"And acceptance is the answer to *all* my problems today" the author of the story *Acceptance Was the Answer* states on page 417 of Alcoholics Anonymous. The concept of acceptance sounds like such a wonderful idea but getting to that state can be quite a challenge, or at least it has been for me. I sometimes vacillate between acceptance & irritation when certain issues arise in my life but eventually acceptance wins out. I have expended too much spiritual energy on futzing about things when a healthy dose of acceptance is the medicine needed. That's why it is important to share our strength, hope and experience with one another discussing this topic in a retreat setting because we find we are not alone!

MK—please join me!
